

STUDENT RENWEB ACCOUNT

A RenWeb student account is created for all 5th -12 grade students. This allows them to view homework, lesson plans and their grades.

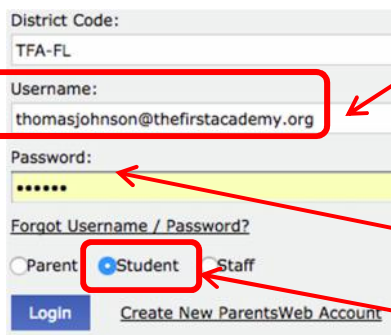

All 5th-12th grade students are assigned a TFA email account via [Gmail](#) (legal first name last name @thefirstacademy.org) with no space. No middle or nicknames. Example: ThomasSmith@thefirstacademy.org

NOTE: All student's TFA network (student's legal first name last name – no spaces) and TFA email passwords were reset to **royals2017** on June 27th, 2017. New students are assigned the same default password.

Students may login to RenWeb 2 ways :

- 1) using the RenWeb Home app (\$4.99 per family/per year)
- 2) going to [TFA RenWeb](#) login page

District Code: TFA-FL

User Name: Enter your legal first name and last name + @thefirstacademy.org
Example: thomasjohnson@thefirstacademy.org

Password: royals2017

Click on the **Student** button.

Once logged into Student > ParentsWeb, click on **Username / Password** under Family Information.

NOTE: Password must be 6 characters and contain letters and numbers.
