## Team Specific Training Sessions

(Rising Grades 8th - 12th; Boys and Girls)

June 3-27	Mon, Tues, Thurs	————— / —————	See times below
July 8-25	Mon, Tues, Thurs		

Sessions will be grouped together based on teams for rising grades 8th-12th. Workouts will be geared towards the specific needs of each particular sport. The program is designed to give three training sessions per week (Monday, Tuesday, and Thursday). We ask that if a student will be participating in multiple sports in the coming school year, that they sign up for the sport that will begin first in the year. They may still attend any of their remaining sports, but we ask that they stick to only one set of workouts. Each team has a designated time slot that will remain the same throughout the summer. The information for this summer is listed below. **This is free for TFA athletes.**

*\*Wednesdays will be used as a makeup day each week. Please email Trey Tyler if you need to makeup a workout.*
