Homecoming Court

Each grade level will vote for members to represent them on the 2020/2021 Homecoming Court. Students are asked to choose their representatives based on the following character traits:

- Integrity: Consistently choosing the purity of truth over popularity
- Encouragement: Love and compassion put into action
- Reliability: Diligent in carrying out tasks, trustworthy
- Loyalty: Committed to friends, family, school, and God
- Leadership: Sets a good example, stands up for and/or stands apart from others
- Respectfulness: Honors people, property, and thinks of others before self

Court Eligibility

The First Academy determined that it is important to recognize a variety of students, giving more students the opportunity to be on the court. Therefore, students who are selected for Homecoming Court will not be eligible for Homecoming Court again until their senior year. This decision will ensure that more students are recognized and highlighted throughout the year.

Parade & Coronation

On Thursday, January 7 through Friday, January 8, students in grades 9-12 will be voting for our Homecoming King & Queen. Results will be announced at the coronation at PSAC following the Homecoming Parade on January 29. RSVP information for families and guests of homecoming court students will be shared soon.
