### State Requirements

**PLEASE READ CAREFULLY: THESE FORMS ARE STATE REQUIRED**

**Immunizations:** *State Law requires that immunizations MUST be on Florida form DH-680.*
Students transferring from another state may take their records to a licensed medical facility and have the records transferred to the Florida form. Out of state forms will meet school requirements for only the first fifteen days of school and then must be submitted to TFA on the Florida form.

**School Physical:** Physical forms are required for all new students. An out-of-state physical form is accepted if dated within one year of the student's start date or if a Florida physical DH-3040 form is used, all dates are acceptable. Only Florida physicians or the County Health Department clinics have this form.

**Grades 6 – 12 Athletes:** Florida High School Athletic Association (FHSAA) requires the athlete to obtain a physical. Physcials **after May 1** will qualify for sports participation in the following school year. The FHSAA uses its own forms, or other physicals can be stapled to it. Click [HERE](#) for the FHSAA Athletic forms. NOTE: (FHSAA forms should be submitted directly to the [TFA Athletic Department](#)). For more information call our Athletic office at: 407-206-8634.
