COLLEGE APPLICATION CAMP

Attention rising seniors!

This is an opportunity for you to get a jump-start on the college application process to be ready for your senior year. Students will focus on applications and essays to avoid last-minute stress in the school year. There will be a mix of seminar-style presentations, activities, and time to write. Plus, students will receive individualized attention every day by TFA College Advisors who all have work experience in college admissions!

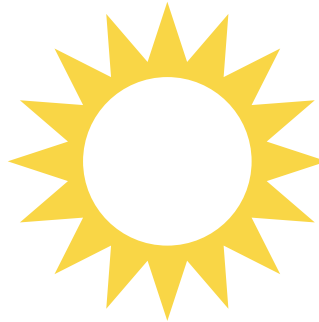

Session I: July 25-27

Session II: July 30 - August 1

Register [here!](#)

If you are enrolled in an FLVS course, you should be planning to complete the course by the end of the school year. Please make sure you are devoting time each day to working on assignments and completing tasks. If you have questions or concerns about completing your course by the end of the year, please let your College Advisor know.

HOW TO SPEND YOUR SUMMER WISELY

VISIT COLLEGES. This is arguably the best way to determine if a college is a good fit for you or not. Take a road trip and visit multiple schools if you can! Check college admissions office websites for information on how to register for an official campus tour.

VOLUNTEER. Grow your number of community service hours and volunteer with something you're passionate about.

GET A JOB. That's right - get a job! Colleges love to see students who gain the skills that jobs provide while still in high school.

...and **HAVE FUN!** We want you to do that, too. ;)
