

## AP Human Geography Summer Assignment

In preparation for students to begin AP Human Geography, they should be familiar with global physical geography. The summer assignment will focus on reviewing the location of major geographic features and countries. There will be a matching style test, at the beginning of the school year, over all the countries on North and South America, Europe, Asia and Africa. Each continent will have a word bank for reference. The list of geographic features below will need to be labeled in their approximate location on a map. The test is typically done over two days with North and South America and Africa on one day and Asia and Europe on the second day. The countries can be studied on [www.ilike2learn.com](http://www.ilike2learn.com). If you have any questions please feel free to email me over the summer.

Have a great summer, and I am looking forward to a great year!

### **Mountain Ranges**

Rocky Mountains  
Appalachian Mountains  
Andes  
Urals  
Himalayas  
Hindu Kush  
Alps  
Caucasus Mountains  
Pyrenees Mountains  
Great Dividing range (Australia)

### **Rivers**

Mississippi River  
Amazon River  
Nile River  
Yellow River  
Congo River  
Yangtze River  
Rhine River  
Thames River  
Rio Grande  
Tigris/Euphrates  
Ganges

### **Deserts**

Sahara  
Arabian  
Mojave  
Gobi  
Great Victoria  
Kalahari  
Atacama

### **Cultural Hearths**

Ganges River  
Ancient Egypt  
Mesopotamia  
South East Asia
