Assignments

The Red Bandana

- Part 1 – The Essay
The novel *The Red Bandana* tells the “inspirational story of Welles Crowther, whose decision, determination and sacrifice in the terror of 9/11 have inspired millions, and whose short life offers a lasting lesson on character, calling, and courage—in how we live, and in the legacy we choose to leave behind.” For this assignment, you will consider the theme of self-sacrifice as it related to the story as well as the Bible and write a short essay.

Consider the following questions:

- What is selflessness? Have you benefited from the sacrifice of others: in your family, with your friends, and/or by strangers?
- In what ways have you sacrificed for others? How did that impact them? How did that impact you?
- How do the following Bible verses relate to the life of Welles Crowther:

- Matthew 16:25 “For whoever wants to save their life will lose it, but whoever loses their life for me will find it.”
- John 15:13 “There is no greater love than to lay down one's life for one's friends.”

You may also focus a part of the book that you felt most clearly represented the theme of the novel, or you may describe how the bandana became a symbol, and discuss a symbol that impacted your life. **Write a 350-word paper that addresses some or all of the questions listed above.** (Try to keep the word count between 300-400 words.)

- Part 2 – The Interview
Throughout the book we see how September 11th, though years ago, continues to affect people in many different ways. Interview 3 different people that were alive during 9/11 (I encourage you to find someone who was at least 10 years old during the events, so that you can learn more perspective about it). **Complete the Interview document attached to this file and bring into class.**

Selected Biography

- Tree Map
As a school we believe in having “Character before career, service before self, wisdom beyond scholarship, and participation as a way of life.” Our American heroes and heroines likewise practiced these four ways of life. **In the tree map attached to this file, identify how your chosen American hero/heroine demonstrated the TFA mission statement.**
