

New Student Logins

A FACTS student account is created for all 3rd - 12th grade students in the TFA and TCS divisions. This allows them to view their homework, lesson plans and grades. They cannot view sibling academic information, financial information or make changes to contact information.

You will need your student's ID number to complete their login.

How to Find Your Student's ID #:

Log into Your [Facts Family Portal Account](#):

The screenshot shows the navigation menu for 'The First Academy'. The menu items are: School, Student, Family, Family Home, Apply / Enroll, Resources, and Financial. A red arrow points to the 'Family' option.

Once you have logged in, click Family.

Next, choose your student from the drop down menu at the top, and then look for the number beside ID System. (Where the red arrow is pointing)

The screenshot shows the 'Family Members' page for 'Lauren Jackson (Ch)'. The page is divided into two columns: 'Contact Info' and 'Service Hours'. The 'Contact Info' column contains a profile picture and the following information:

Name: Lauren Jackson (Child)	ID System:
----------------------------------------	-------------------

A red arrow points to the 'ID System' field, with the text 'ID Number Will Be Here' next to it. The 'Service Hours' column contains the text 'No community service hours found.'
