

KINDERGARTEN

ACADEMIC PREPAREDNESS

Our students are taught and nurtured by trained and experienced early childhood teachers with the hearts of a servant. The levels and needs of the students are the driving force behind those decisions. Instruction is child-focused and there is a balance of academic, motor, social, and spiritual development in the classroom.

SPIRITUAL GROWTH

We teach biblical truths. TFA provides a culture of kindness where teachers model their faith with intentionality, and biblical truths permeate lessons across every subject.

SCHOOL FAMILY

We partner with parents. We believe that in order for students to know where they are going, they need a strong sense of where they're from. TFA partners with parents to ensure there is a strong connection between each child's home and school.

ENRICHED LEARNING

Art, music, athletics, and fine arts classes complement core curriculum. Our Royal Academy after-school courses and clubs give students the time and space to explore interests from robotics to cheerleading and more.

LIFELONG LEARNERS

Kindergarteen students are engaged in hands-on exploration in a socially and emotionally supportive space. It's a time when deep and lasting friendships are formed, and students are challenged in an atmosphere that is collaborative and nurturing.
