## Homecoming Court

Each grade level voted for members to represent them on the 2022 Homecoming Court. Court students represent their grade level in the Homecoming Fashion Show, the Parade, and the Coronation.

### Court Eligibility

The First Academy determined that it is important to recognize a variety of students, giving more students the opportunity to be on the court. Therefore, students who are selected for Homecoming Court will not be eligible for Homecoming Court again until their senior year. This will ensure that more students are recognized and highlighted throughout the year.

### Coronation

On October 19-21, students in grades 9-12 will vote for our Senior Homecoming King & Queen. Results will be announced at the coronation which takes place on Friday, October 28 at halftime during the football game at the Payne Stewart Athletic Complex.
